## Man-of-Honor Society

**Editor: Rosie Carr**

**Volume: 7**

**Issue: 2**

**Date: April - May 2015**

### Special Salute from the President

Duke Spain takes his membership in the Man of Honor Society very seriously. He is our "Man of Honor Coin Engraver recently returning from Bolivia", engraving coins for all new members. He has been a member of the MOH Society for the past 5 years. During that time he has been an invaluable asset to the membership. He is always deeply involved in our raffles. He is there to help set up, to tear down and works many long hours selling

our paddles or working wherever he is needed. He proudly walks in our parades and attends many of our other functions. It is always a pleasure to work with Duke as he is seldom without a smile or grin on his face. Duke Spain - You have contributed greatly to the Man of Honor Society during the past 5 years and rest assured it has not gone unnoticed. It is a pleasure to have you with us and you are a "TRUE MAN OF HONOR". We salute you.

### Plaques at Veterans Home at King

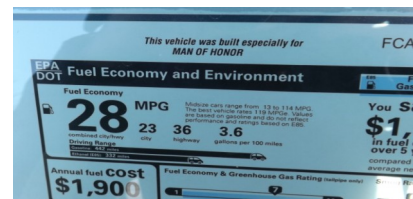

Man of Honor members Jeff Morgan, Bernie Knippel, John H. Fust, Duke Treu, Bill Fenhaus, Gerri Knippel and Vicki Harness made a trip to the Veterans Home at King on 16 March 2015. There has been a continuous effort to recognize all branches of the service by displaying plaques in various buildings at King. Today at

the Marden Center MOH members and members of the Legion Riders Veterans Group presented plaques to be displayed on the walls of the main entrance building at King showing all branches of the military, and a special sign that read "All Gave Some, Some Gave All". While at King the MOH Society members presented 30 boxes of personal items for the homeless living there. King was, and continues to be, very appreciative of the two organizations.

Hello everyone!

I hope your spring is in full swing. The sun is brighter, feeling warmer and the days are getting longer. Birds are singing, looking for nesting sites. All this can only mean one thing, it's the start of Man of Honor's busiest time of the year!! Since our March membership meeting, a small group went to the Marden Center of King. That building is the Administration Center, Post Office, meeting rooms, etc. It also has a very nice Military Museum. Myself, Bernie & Gerri Knippel, Vicki Harness, John Fust Sr., Duke Treu, and Bill Fenhous went there to present the 5 Branch Service Plaques and a bottom sign that read "All Gave Some, Some Gave All". Tom Westermeyer was again the master craftsman. Speaking of Tom and his great talent, by now you must have seen the Man of Honor signs on the building. Thank you, Tom once more, for your workmanship and your leadership in mounting those signs. There were a number of helpers on hand to place those signs on the building. Myself, Ric & Rosie Carr, Bernie Knippel, John & Charlie Sapp, John Fust Sr., Mark Lyon and Dan Rigney. Here's more

great news about the building. We finally got the ok to paint the building!! Still getting our ducks in order, I'll have more info at the meeting.

Raffle Chairman, Tom Fust, called a raffle committee meeting 15 April at 6:30 p.m. Many members were present as were the Officers and our PR Director. I must say, great energy and enthusiasm filled the room. Everyone came to the meeting ready to start working on their areas of expertise. As the ground work is being done, the rest of us must concentrate on items for the paddle wheel, booze wagon, baskets and the children activities. OH YAH, can't forget TICKET SALES!!! As I write this, there are less than 40 days before we call "Tickets In" so we can see where we are at with tickets and money. A BIG THANK YOU again for your efforts to sell your tickets. If you have tickets, PLEASE use your BEST sales pitch and SELL, SELL your tickets!!

The day of the MOH Pool Tournament some tickets were sold. Pool Tournament Chairman, Jim Fust, may comment on the results of the tournament winners. Anyway, that same day Tom Fust and Bill Henrichs spent the whole day at Brickner's selling tickets. It was cold and very windy. Thank You, for your Great Effort!

There will be a lot of topics to discuss at the meeting. Just a heads up:

- Elections = By Law changes
- Honor Flight & Reunion Party
- Memorial Weekend Activities (Saturday and Monday)

I know, I peaked your interest and your going to want to get to the clubhouse early to get a good seat. Please be mindful that some of our members have mobility concerns. There is plenty of parking.

Thank you, thank you all for what you do!

*Integrity-Honor-Concern  
God Bless You and the  
United States*

Grand Avenue in Wausau. The 2015 Chrysler 200 is bright red and absolutely beautiful. Those who stopped by for a look could not say “No” and had to purchase a raffle ticket once they saw the car and all the other great prizes on the ticket. Ticket sales were pretty good considering the fact it was a very unpleasant day to be outside.

Jim Fust and his Leprechaun, Teddy Williams stopped by on their way to the Pool Tournament along with Ron Jones. The MOH Society is invited to set up our banner and flags to sell tickets anytime we want.

The MOH Certainly appreciate the efforts of these three gentlemen and a huge “Thank You” to all of them.

## Cribbage Tournament

Another fun time was had by all at the Man of Honor March 28th cribbage tournament. With a total of six teams, the big money was made by:

1st place was Dennis Holzem & Ken Wilcox,

2nd place was Connie Masterson & Bernie Knippel,

3rd place was Ron Jones & Paul Missett (Jeff Morgan was a sub for a couple of games).

A big thank you to everyone that showed up, may the cards fall your way next time.

## Wills for Veterans 2nd Clinic at Clubhouse

On 18 April Shanna Yonke from Ruder Ware L.L.S.C., along with attorneys and paralegals from local law firms, had a Will for Veterans Clinic at the MOH Clubhouse. They were able to take care of 18 vets and their families, and did this fine deed at no expense to the veterans. It was an all day affair and thanks to MOH members Ric and Rosie Carr all went well. On behalf of all the veterans concerned the MOH Society extends a “Huge Thank You” for a job well done and for all their donated time and effort.

Left to right: Paralegal Teresa Turner, Paralegal Tammy Zenner, Paralegal Vusa Bentley, Paralegal Nancy Larsen, Attorney Shanna Yonke, Paralegal Angela Gonzalez, Paralegal Anita Seering, and Attorney Mary Ellen Schill.

## MOH Pool Tournament March 21, 2015

On March 21st the 7th annual Man of Honor pool tournament was held at the beautiful “pool hall” of the Eagles Club, Wausau, WI. There was much anticipation and buzz as to who would go to the top 5, out of 32 two-person teams that signed to compete for 2015.

Preparation started a few months prior to this tournament as the committee was selected to set up the tournament. They were pretty much the same individuals as in years before. They are:

Andy Schoeder who's expertise was instrumental in having everything done just right. Ted Williams and Todd Wold added just the right inputs to ensure the tournament went smoothly. Both were an enormous help. The Chairman was me, Just Fust. The Eagles Club members Bill and Cindy Henrichs, and Tim Miller were exceptionally helpful coordinating with the committee to help ensure the “pool hall” was set up with everything that was needed. Cindy Henrichs cooked the corned beef and cabbage (donated by “The Jim”) so that it could be sold during the competition. It was delicious! Thank you Cindy! A Leprechaun (Ted Williams) was seen serving the traditional St

Patty's Day treat. There were a few raffles for Man of Honor shirts. There was also a raffle for a cue stick donated by Andy Schoeder. A total of \$227.00 was made on the raffles and corned beef and cabbage sales.

The competition started at precisely 12 noon as advertised. It was a grueling match throughout the day. When everything was said and done the winners were:

1st Place, \$600.00, and their names put on the traveling Champions trophy, team Tom Ahles and Corey Scherer;

2nd place, \$300.00, Team Andy Schoeder and Rick Nutter;

3rd Place \$200.00, Team Kevin

and Debbie Zahurones:

4th Place, \$100.00, Team Erica and Sean Herzog;

5th Place, \$80.00, Team Ted Williams and Don Goretski. Fun was had by all.

Good completion, good sportsmanship, and a great time for all. There were a lot of supporters that came to watch the competition and they seemed to enjoy it as much as the competitors. Thanks to the Eagles Club of Wausau for hosting this event for the Man of Honor Society. We're looking forward to next year's competition.

*Jim Fust, Committee Chairman*

### Spotlight On One Of Our Own!

Our spotlight recognizes Bill Fenhaus. Bill was born and raised in Wausau, Wisconsin and graduated from Wausau High in 1964. He then attended Wausau Technical College and earned a 2 year degree in Business Administration. He and his wife Susan have 3 children between them and also have 2 grandchildren. Bill worked at several jobs during his career. He was the Assistant Loan Manager at Associate Finance, a Service Advisor for Brickner Motors and was an Administrative Supply Technician with the Wisconsin National Guard from 1970 to 1990.

In June 1965 Bill enlisted in the Wisconsin National Guard. He attended Boot Camp at Ft. Lewis Washington and became an infantryman. During his distinguished career he was a Scout Platoon Armored Crewman, a Company Hand Battalion Supply Sgt., an Operations Sgt. and in 1990 he finished his career as a Command Sergeant Major. Bill and his brother Don had the unique honor to be the only brothers who were both Sergeant Majors in the Wisconsin Guard at the same time. His military decorations include the Meritorious Service Medal, 3 Army Commendation Medals, the National Defense Service Medal and the Army Good Conduct Medal.

Bill joined the MOH Society in 2012. He has helped setting up and tearing down our raffle site and is very active selling our tickets. He is in attendance at all of our meetings as he feels they are extremely important to attend. He has worked on several projects with the MOH, one of which was to help get donations for our homeless veterans at King. He strongly believes the MOH Society is the finest Veterans group in the state of Wisconsin because of our concerns for helping Veterans in need.

The Man of Honor Society is extremely proud to have Bill as one of its members. He has brought great honor to the United States Army and to his family as well. Bill, your dedication and service to our country is commendable, and the MOH salutes you for all you have accomplished.

Thomas is the father of Mike O'Rourke, MOH member.

You have our sincere condolences on the loss of your father.

**Stuart Leigh Gartmann**, 74, died Sunday, March 22, 2015 at his home in Kronenwetter.

Stuart was the father of Sue Gartmann, MOH member and Patrick who is a salesman at King's Camper.

Stuart served his country in the National Guard as a tank commander during the Cuban Missile Crisis.

Stuart was a wonderful mentor and teacher for his children, enjoying passing on what he knew

to them later in life. Stu enjoyed NASCAR and his appreciation of racing extended to his love of Corvettes and Harley Davidson motorcycles throughout his life. One of his favorite pastimes was spending Sundays with his son, Patrick, and going out to eat and socializing with friends at the Palms Supper Club and Hiawatha Restaurant & Lounge.

Please accept our heartfelt sympathy on the passing of your father.

Member, took charge of the project to have the signs made and did a fantastic job.

Members present for the dedication were in the back row left to right was Ric Carr, Charlie Sapp, Jeff Morgan, Bernie Knippel and in the front row left to right was John Sapp, John H. Fust, Tom Westermeyer and Dan Rigney. Tom Westermeyer was the man who made this all possible. Great job, Tom!

**Never Judge Your Neighbor's  
Laundry Skills**

A young couple moved into a new neighborhood.

The next morning while they are eating breakfast, the young woman sees her neighbor hanging her laundry outside.

"That laundry is not very clean," she says. "She doesn't know how to wash correctly. Perhaps she needs better laundry soap."

Her husband looked on, but remained silent.

Every time her neighbor would hang her laundry to dry, the young woman would make the same comments.

About one month later, the woman was surprised to see a nice clean wash on the line and said to her husband, "Look, she has learned how to wash correctly. I wonder how that happened?"

The husband said, "I got up early this morning and cleaned our windows."
